For purposes of the performance graph which is the subject of this order, the Customer has selected the overall market performance indicator and the industry index or peer comparison required by item 201(E) of SEC Regulation S-K and the Customer is solely responsible for the same. Morningstar believes its methodology used in creating the performance graph is appropriate and reliable. A detailed copy of the methodology is available upon request and is also delivered with each ordered graph. Any order of the corporate performance graph indicates Customer's acceptance of the Morningstar methodology. Data on the relevant companies utilized by Morningstar in development of the performance graph is derived from Morningstar's database, consisting of both current and historical financial data on approximately 9,000 companies. Morningstar bases its data input, used in the performance graph, on sources believed by it to be reliable. However, Morningstar does not represent, warrant or guarantee either the accuracy or the timeliness of the data, or the compliance of the graph with the requirements of Item 201(E) of SEC Regulation S-K, and it shall have no liability of any kind whatsoever to Customer, or to any other party with respect to such matters. THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OF ANY KIND WITH RESPECT TO THE PERFORMANCE GRAPH.
